

**John R. Bonfield  
Back to School Night  
September 25, 2018**

We are excited to see you for our Back to School Night. Back to School Night is for ***parents only***. We will have Open House for children and parents on May 2. Please make child care arrangements so that teachers are able to direct the presentations to parents.

Presentations will be held at the following times:

6:00 – 6:30 Welcome in the Gymnasium

6:30 – 7:15 Session 1 for All Grade Levels – in Classrooms

7:15 – 8:00 Session 2 for All Grade Levels – in Classrooms

Parents may choose which grade level session to attend as both sessions will be the same. The following teachers will also be available during sessions 1 & 2. They are available for a drop-in. No formal presentations will occur.

Intervention Specialists – Mrs. Stively, Mrs. George, Ms. Weaver

LEAP – Mr. Balsbaugh

ESL – Mrs. Packer

Art – Mrs. Casella

Music – Mrs. Lefever

Physical Education – Mrs. Post

Librarian – Miss Fry

Speech & Language – Ms. Lichty

Reading Specialists – Mrs. Craig & Mrs. McFadden

The purpose of our Back to School Night is to give teachers an opportunity to discuss the curriculum and answer questions parents may have about class procedures and expectations. **If you have questions concerning your child's progress, we ask that you make an appointment to meet with the teacher at another time.** By doing this, you can have a private conference rather than discussing your child in front of other parents.

**We look forward to seeing you!**
