DROP OFF INFO

PLEASE NOTE

- 1. Bring driver's license every time anyone comes into the building, even if you are here to pick up a sick student (an aunt, neighbor, etc). Please also make sure anyone you'd have pick up is added to your emergency contacts.
 - We will be using a Gate Guardian System this year if you enter the building. If entering the building, even just to see the nurse, your ID will be swiped and you will be run through our system. You will receive an ID with your photo on it. Once you have scanned in once, you are able to just let the secretaries know your name and they will find your photo.
- 2. Set up parent portal account - useful tool to check grades, attendance, etc.
- 3. Early dismissal - if you have any dismissal changes on an early dismissal, a handwritten note is required to be submitted to the office by a parent/guardian.
- 4. Inclement weather - Families should have a plan in place for snow days/early dismissals (phone lines get very busy). ASK does not run on these days. Parents should review this plan with their children and notify the school of the plan.
