

## WARWICK SCHOOL DISTRICT

During the 2017-2018 school year, transportation services will be provided according to the following information: Warwick School District bus stop information for all Warwick School District public school students will only be available via the parent portal which is available through the Warwick School District website.

This change has been made due to safety reasons as well as having the need to have your student board at their assigned bus stop. Parents, **PLEASE** use your log in and password. If you should have problems, please contact your student's individual school. Parents will not be able to access busing information without logging into the portal.

Please be aware, as always, not all bus stops remain the same from year to year. There have been a few changes. Please be aware of those changes and abide by where your student's bus stop is located. Also, look for possible time changes as well. We ask all parents to work with your students and to help drivers in keeping students on correct buses. Please help with this.

BRIDGE CONSTRUCTION, please note this will be an issue in our district this year for some bus routes. . Please be patient as we all work together through these projects with Penn Dot.

All bus information will become available 8/29/17 on the portal. As always, please allow a 5-10 minute variation from times listed on the portal. Transportation questions should be directed to Jennifer Grove, Transportation Director, at [jgrove@warwicksd.org](mailto:jgrove@warwicksd.org) 717-626-3734 ext. 3880, or Dr. Ryan Axe, Director of Secondary Education at 717-626-3734 ext. 3717.

### **Special Bus Information**

Students are permitted to ride **ONLY** the bus to which they are assigned. Also, students are permitted to get on or off the bus only at the stop to which they are assigned. Bus drivers will monitor this closely. Changes in transportation arrangements for emergency reasons must be made through the school. Notes signed by parents will **NOT** be accepted by bus drivers, no exceptions. A copy of the guidelines explaining this procedure can be picked up at each school office. Please remember that students should be at their assigned bus stop at least five minutes before the schedule time.

Have a great school year!
