Non-public school districts in the area start as early as August 22, 2017 for the 17/18 school year. Warwick School District has a start date of September 6, 2017 for the 17/18 school year. The full schedule of Warwick School District buses will not be running until September 6, 2017. If you would like your non-public student to have a.m. transportation, please provide transportation to Warwick High School to board their respective buses from the first day your student begins school until Warwick starts school (9/6/17) In the p.m., non-public students will be transported to a bus stop located near their home location.

Beginning Wednesday, September 6, 2017, non-public students have the option of being transported in the a.m. to Warwick High School on a Warwick secondary bus transporting public school students living in your area. Students who walk or are driven to the high school should arrive prior to 7:15 AM in order for non-public buses to depart at 7:20 AM.

The transportation office of Warwick School District sends letters to all families asking that transportation requests be returned no later than 6/30/17. If the transportation office did not receive your letter, your child will not be assigned a bus and not be listed on the roster. This means the bus driver will not be transporting your student. If you have a question please contact YOUR school and let them know you would like to request transportation. Your request will take up to 5 days after it is received by the transportation office after the first day of school. No new requests are accepted after 6/30/17. Please make necessary arrangements.

Warwick School District does not transport students on early dismissal days, except for weather dismissal. Please make necessary arrangements. Also if you have a kindergarten student, a parent or guardian must be at the bus stop in order for your student to be allowed off of the bus.

All students, regardless of what school they attend, are required to follow all safety and discipline rules of the bus. Riding privileges can be suspended or taken away if safety and or discipline are not followed.
