

Comprehensive Plan

July 2019 – June 2022

Mission:

In collaboration with the community, the mission of the Warwick School District is to enable all students to acquire the knowledge, skills, and values necessary to become responsible, productive, and resourceful citizens.

Vision:

Our promise is to ensure all students achieve established standards of excellence.

Shared Values: We believe ...

- Every child can learn and deserves a quality education that is multi-dimensional, rigorous, relevant, and engaging.
- In the importance of fostering a positive physical, social, and emotional wellbeing within all students.
- Students benefit most from the shared efforts of the school, home, and community.
- In the philosophy of lifelong learning and its importance to future success within the global community.
- The treatment of all individuals should be conducted with dignity and respect.

The Warwick School District has established the following four (4) District Goals:

Goal 1: *Address barriers to student learning.*

(PDE Reference) *Establish a district system that fully ensures barriers to student learning are addressed in order to increase student achievement and graduation rates.*

- Review and update the Dropout Prevention Guidelines.
- Review data analysis systems to ensure stakeholders are using various assessment measures, and make instructional adjustments based on student achievement data.
- Develop, update, and consistently implement personal/social curriculum to proactively address rising mental health needs.
- Promote and enhance community partnerships to sustain and increase opportunities for students.

Goal 2: *Promote, enhance, and sustain a shared vision of positive school climate & ensure family and community support of student learning.*

(PDE Reference) *Establish a district system that fully ensures each member of the district community promotes, enhances, and sustains a shared vision of positive school climate and ensures family and community support of student participation in the learning process.*

- Gather and analyze perceptual and school process data for the purpose of promoting, enhancing and sustaining a shared vision of positive school climate and parental involvement in educational programming.

Goal 3: *Consistent implementation of instructional practices across all classrooms.*

(PDE Reference) *Establish a district system that fully ensures the consistent implementation of effective instructional practices across all classrooms in each school.*

- Increase differentiated instruction for all students.
- Increasing 21st century skills and access to technology for all students.

Goal 4: *Standards aligned assessments to monitor student achievement and adjust instructional practices.*

(PDE Reference) *Establish a district system that fully ensures staff members in every school use standards aligned assessments to monitor student achievement and adjust instructional practices.*

- Creating and/or updating classroom assessments to align with Pennsylvania standards.
